## **CLIENT INFORMATION FORM**

### **QUALIFICATIONS**

The therapist providing services is licensed in the State of Kansas as a Licensed Specialist Clinical Social Worker, License #4169.

She received her Master of Social Work degree from the University of Kansas.

### **SESSION FORMAT**

Research has shown that the nature and severity of the client's presenting problems usually determine the length of therapy. Treatment can range from a few sessions to several months of therapy. The estimated length of a client's treatment will be determined in a collaborative discussion between client and therapist. Regular reviews of the client's progress and continuing need for therapy will be discussed with the client. Clients may leave therapy at any time, but the therapist asks that they agree to discuss the termination of therapy at a regular therapy session, rather than by phone.

She will incorporate Christian principles if so desired by the client. Emphasis is on relationship, not religion.

### **CONFIDENTIALITY**

The information clients provide in therapy is confidential. The therapist will not reveal any information about clients or their issues, except for professional consultation, without the client's written consent. Any written records about treatment are also confidential. Because of the therapist's legal mandate to report some issues, confidentiality may be broken if a client is found to be a clear and imminent danger to self or others, if he/she reports current abuse of a child or dependent adult, or if the therapist receives a court order to release the client's records.

### **BENEFITS AND RISKS**

Any time individuals seek therapy to work on difficulties within themselves or their personal relationships, there are benefits and risks involved. The benefits can include the ability to handle or cope with specific concerns and/or interpersonal relationships in a healthier way. Clients may also gain a greater understanding of personal, interpersonal, or family goals and values. This new understanding may lead to greater maturity and happiness as an individual, couple or as a family. There may also be other benefits that come as clients work at resolving specific concerns.

However, therapy can be challenging and uncomfortable at times. Remembering and resolving an unpleasant event may cause intense feelings of fear, anger, depression, and frustration. As clients work to resolve personal issues or issues between family members, marital partners, and

other persons, they may experience discomfort and an increase in conflict. There may also be changes in their relationships that they had not originally intended.

The therapist will discuss with clients the benefits and risks involved in their particular situations. The therapist encourages ongoing discussions of client's concerns as therapy progresses. Clients are encouraged to discuss with the therapist any concerns they may have as they progress through therapy.

You will be expected to relate not only problems and concerns, but successes and enjoyable experiences as well. At times you may be given homework assignments such as reading, keeping a journal, monitoring your own behavior, practicing a new behavior, etc.

It is important that you regularly and promptly attend scheduled sessions.

### **PHONE CONTACT AND EMERGENCY POLICY**

Clients may contact the therapist at 913.730.6778. A phone voicemail system is available to take messages when the therapist is unavailable. Messages will be returned as soon as possible. The therapist cannot be available for 24-hour emergency care and clients cannot assume the therapist will be available at all times. In case of an emergency and the inability to reach the therapist, the client can contact one of the following crisis hotlines:

<b>Kansas Crisis Hotline, Domestic Violence</b>	<b>1-888-END ABUSE (1-888-363-2287)</b>

## **FINANCIAL POLICY**

It is my desire to provide you with excellent professional counseling. My fee is set in accordance with the fair market of professional psychological treatment in the Kansas City Metropolitan area. Fees are based upon 50-minute sessions.

**Payment is required at the time service is rendered.** I accept cash, checks, debit or credit cards. (There will be a \$30.00 charge for returned checks.) If you would like to keep your debit or credit card on file, I will provide a pre-authorization form to be completed.

Clients who carry Health Care Insurance should remember that professional services are rendered and charged to the client and not to the insurance company. Diane K. Schmidt Counseling Services does not file insurance claims.

You will receive the documentation required in order to submit your claim to your insurance company, your health savings account (HSA) or your employer's flexible benefits/cafeteria plan (FSA). This will include the provider's name and credentials, the date of service, the type of service, the cost and diagnostic code.

In the event that you are unable to keep a scheduled appointment, **a 24-hour notice is required**, except, of course, in an emergency situation. If I do not receive a **24-hour notice you will be charged and liable for the full visit fee**. This fee will need to be paid at the next appointment or will be charged to your debit or credit card if a pre-authorization form was completed.

If you have any questions regarding my policy or other matters, please feel free to call me at 913.730.6778.

I also understand that I may waive this consultation, in writing, and that my therapist will discuss this process with me at any time if I so request.

## **Right to Receive a Good Faith Estimate**

You have the right to receive a "Good Faith Estimate" per the **No Surprises Act** enacted January 1, 2022, explaining what your mental health care will cost. While it is not possible for a psychotherapist to know, in advance, how many psychotherapy sessions may be necessary or appropriate for a given person, an estimate will be provided for the cost of services. Your total cost of services will depend upon the number of psychotherapy sessions you attend, your individual circumstances, and the type and amount of services that are provided to you. This estimate is not a contract and does not obligate you to obtain any services from the provider(s) listed, nor does it include any services rendered to you that are not identified here.

This Good Faith Estimate is not intended to serve as a recommendation for treatment or a prediction that you may need to attend a specified number of psychotherapy visits. The number of visits that are appropriate in your case, and the estimated cost for those services, depends on your needs and what you agree to in consultation with your therapist.

You are entitled to disagree with any recommendations made to you concerning your treatment and you may discontinue treatment at any time.

You have a right to initiate a dispute resolution process if the actual amount charged to you substantially exceeds the estimated charges stated in your Good Faith Estimate (which means \$400 or more beyond the estimated charges).

You are encouraged to speak with your provider at any time about any questions you may have regarding your treatment plan, or the information provided to you in the Good Faith Estimate that will be provided to you via IVY Pay, if paying by credit card, which is the HIPAA compliant payment platform used for credit card processing. If paying by cash or check, one will be provided separately.

Please inform you have read this form and know that you can request a Good Faith Estimate by signing and returning.
